NATIONAL TRAUMA INSTITUTE
RECOGNITION

HON. WILL HURD

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 9, 2016

Mr. HURD of Texas. Mr. Speaker, traumatic injury in America affects everyone, claiming over 190,000 lives and costing hundreds of billions of dollars in healthcare annually. It is the number one cause of death for Americans between 1 and 46 years old. As a result, in 2006, the National Trauma Institute was founded in San Antonio, Texas, to stop unnecessary suffering from trauma through prevention, education and research. Ten years later, the National Trauma Institute celebrates a decade of trauma research advocacy and funding.

The National Trauma Institute has enjoyed much success throughout its first decade in existence advocating for federal appropriations for trauma-related research so that patients can receive care faster and more efficiently. To date, the organization has been responsible for securing \$55 million in funding for trauma-related research, special projects and research infrastructure. That \$55 million has made an incredible impact on millions of Americans, allowing them to survive injuries that were once unthinkable and go on to lead healthy productive lives.

There is no question that the National Trauma Institute, founded in San Antonio, Texas, has contributed to trauma research that has saved and dramatically improved lives. The organization has become a pillar of the community and is now the leading voice of advocacy for the funding of clinical trauma research. I am proud to congratulate The National Trauma Institute for its incredible achievements for San Antonio and the rest of the nation.

COMMEMORATING THE 75TH ANNI-
VERSARY OF PEORIA CHARTER
COACH COMPANY

HON. DARIN LAHOOD

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 9, 2016

Mr. LAHOOD. Mr. Speaker, I would like to honor a remarkable business, Peoria Charter Coach Company, an icon of Central Illinois celebrating their 75th anniversary.

Peoria Charter Coach Company started in Lacon, Illinois under Walter Winkler who had nothing but the earnest desire to put his community first. After seeing his fellow citizens struggle to travel to work due to the World War II gas rations, he opened a bus service so that others around him could safely commute to work to earn their paychecks.

Seventy-five years later and now headquartered in Peoria, Illinois, four generations of Winklers have found many other ways to serve their community. From transporting war-time United States Defense Workers and Military Personnel to serve their country to helping schoolchildren to attend classes, from assisting college students returning home for the holidays to serving locals looking to catch a ball game in Chicago, the Winklers continue to pride themselves on assisting others. To date, the Peoria Charter Coach Company now carries an impressive half million passengers over four million miles annually.

I am thankful that America has been a country where hard-working families with a vision, such as the Winklers can grow their small business, employ others, and serve their fellow Americans. I extend my sincere congratulations to the Winkler Family and Peoria Charter Coach Company for their impressive accomplishments and thank them for their continued service to the 18th District. I wish them seventy-five more years of good fortune and safe travels.
